KENNY JEAN // SOFTWARE DEVELOPER

(561)670-5970 Address: West Palm Beach, FL♦ Email: Kennyjean561@gmail.com ♦Github: https://github.com/K-Tech19 ♦ LinkedIn: https://www.linkedin.com/in/kennyjean19/ ♦Portfolio: kennys-portfolio.netlify.app ♦

ABOUT ME

I am a Software developer who enjoys solving tough problems and breaking them down into easily programmable solutions. My previous job was in banking where I spent the last 5 years building trust with my clients and furthering my communication skills, which I am confident I can bring to any role.

SKILLS

- **LANGUAGES** | JavaScript, HTML, CSS, Python, TypeScript
- **LIBRARIES AND FRAMEWORK** | React, Node.js, Express.js, Gatsby.js, Bootstrap
- **DATABASE** | PostgreSQL, SQL, ORM, MongoDB, Mongoose
- **OTHER** | RESTful API, JSON, OOP, Heroku, Netlify

PROJECTS

Rapid Connect 4 | HTML, CSS, JavaScript | GitHub
Merida, Mexico | 2-week duration

- Created a commercial representation of high speed connect where each player has 30 seconds to make a turn until one person is left standing.
- Completed project while overseas in Mexico.

Covid Tracker 2021 | HTML, CSS, JavaScript, React, Chart.JS | GitHub
West Palm Beach, FL| 1-week duration

- A React single page application that displays global up to date confirmed, recovered and deaths of individual countries during the pandemic.
- It uses an API that provides data of all reported cases depending on the specific country.
- Includes an accessibility dark mode when enabled gives the user an option to view the page in a more dark and less saturated color combination.

EXPERIENCE

Podium Education | Instructor Associate
Austin, Texas | May 2021 – Aug 2021

- Create and present lesson plans with the lead instructor to guide students in a live lecture session effectively.
- Grade student assignments to give meaningful feedback during Office hours.
- Familiarize oneself with different coding technologies to troubleshoot students issues.
- Assist students with industries standard projects while leading them in study hall content

General Assembly | Teachers Assistant
New York, New York | June 2021 – Current

- Provide students with mentorship and feedback on past assignments.
- Assist lead instructors with lessons and administrative duties.
- Perform quality assurance, research, troubleshooting, and debugging students' homework over several technologies, including JavaScript, ReactJS, Restful API and SQL.

Bank of America | Relationship Banker
Jupiter, Florida | Sept 2019 – Dec 2020

- Built relationships over time to gain in depth knowledge of clients' financial life priorities and effectively positioning additional Bank of America products and services.
- Deepened client relationships with over 50+ customers per week via in-person conversation and referrals to our team specialists.
- Kept the workspace environmentally green by reducing daily paper usage, daily cash handling audits of all cash registers and merchandising abilities.

Cash America Pawn | Pawn Broker
Tallahassee, Florida | Jun 2018 – May 2020

- Complied with local, state and federal laws, including reviewing identification, obtaining thumbprint and verifying serial numbers against law enforcement databases.
- Handle cash and negotiable items in accordance with established policies and procedures.
- Inventory control, cash handling and merchandising abilities.
